

GFE is NOW available for order!

Grand Format Embroidery™ was unveiled on Facebook live for the very first time on February 8th.

Contact your local dealer today.

For videos please check out innovalongarm on social media. More pictures, videos, and tutorials will be uploaded soon.

Grand Format Embroidery™ News

The recent news is all about Grand Format Embroidery! **No longer be limited by the size of your embroidery hoop and release your creativity.** The latest Autopilot Mach 3 update and GFE are the most powerful additions to Autopilot Mach 3 we've released to date.

Unleash a plethora of new and exciting artistic capabilities.

Some of which include:

- Print Patterns
- Sizeable Background
- Bobbin Warning Settings
- Pause Settings
- Draw tool

The features with the update include the long demanded and controversial Print Patterns, Sizeable Background, new settings for Bobbin warnings and Pause. The most powerful new feature is in the Draw tool. You can edit drawings with complete accuracy and create their own patterns.

If you choose to activate our new Grand Format Embroidery™ feature, you will unleash a plethora of new and exciting artistic capabilities. You can simply purchase any .dst embroidery pattern or turn any .pat pattern into an embroidery creation using Path Apply. Applique has become super fun and easy with Path Apply. These features are intuitive and super easy to learn and use. The creative opportunity is incredible with the latest from, and *EXCLUSIVE* to, INNOVA®.

The creative opportunity is incredible with the latest from, and *EXCLUSIVE* to, INNOVA.

This release presents another fantastic opportunity: The ability to embroider on an INNOVA , with the best customer service record of any longarm quilting machine? **These are some of the reasons so many choose INNOVA®!**

Innovatech™

The reviews are in. **Innovatech™ quality is second to none!** The thread runs through your Innova like butter. If you haven't already, contact your local dealer to pick up some cones.

“If you’re having an issue with your stitches, the first thing everyone should check is to make sure your machine is threaded correctly. It is also very important to have a high-quality quilting thread. Innovatech™ can save you from some headaches.”

– Michael Schwarzberger
Technician

Birds of a Feather

The Longarm Network put on a **SHOW!** Grand Format Embroidery™ was unveiled for everyone to see. Check out our social media accounts to see cool videos of GFE in action.

Students loved their **AutoPilot™ robotics classes** taught by The Longarm Network™ crew. They earned their wings.

INNOVATOR AWARD

This annual award recognizes amazing contributions to our machine quilting community. Last year, the inaugural award was presented to Val Schlake.

The publicly submitted votes were tallied at vote@thelongarmnetwork.com

Our three finalists were:

- Capri Beckman
- Teresa Silva
- Jamie Wallen

A huge congratulation to **Mr. Jamie Wallen** for winning the INNOVATOR of the year for 2018.

LETTER FROM THE PRESIDENT

What an exciting start to the new year! We kicked off January with the Road to California show. I want to thank everyone who came to the Sew So Shop booth and spent some of their time with the InnoVA team. The momentum was carried on to our annual Birds of a Feather Event. I am extremely excited to finally share with all of you the countless hours that went into creating Grand Format Embroidery™.

At INNOVA® we strive to innovate to the best we possibly can, and we think this exclusive technology brings us to the next level. Thank you to everyone that came out to the annual Birds of a Feather show. To all the Innovians, thank you for all your support you give to INNOVA®.

Very Truly Yours,

Neal A. Schwanberger
